## Six Week

Our 6 week programs are offered throughout the dance season. You can also register for a 6 Week Trial for any of our non-competitive classes which can be perfect for when you are not sure if your dancer is ready for a full season.

Choosing this shorter program can be a great option to start off with because if they decide they love it, they can stay in the class they are in and the time and day remain the same.

**Super convenient and makes for an easy transition!**
